

Dietary Restrictions

We know it can be hard to eat out with dietary restrictions and we're here to help. Below are some guidelines, but we recommend above all that you speak with your server. They will help you modify your menu as needed.

Gluten Friendly Options

All of our sandwiches can be modified to use a gluten free bread. Most of our ice creams are gluten free. While we are diligent to avoid cross-contamination, there is a risk of cross-contamination.

Dairy-Free Options

You do NOT have to skip dessert at The Fountain! Try our Vegan Vanilla bean or Raspberry Sorbet! Most of our menu can be modified as needed.

Vegetarian/Vegan Options

Our menu is full of great options for our veggie friends. Every week, we have a vegetarian soup option. We also offer an incredible Vegan Vanilla Bean ice cream for dessert.
